

BRITDAQ MATCHED BARGAIN SERVICES

Dear Shareholders,

You would probably be aware that the Ordinary Shares of CSF Group plc ("CSF") have been cancelled for trading on the Alternative Investment Market ("AIM") of London Stock Exchange plc ("Cancellation") on 4 February 2019.

Following the Cancellation, it is no longer possible to buy or sell CSF shares on AIM. The Company has organized an alternative liquidity solution. UK based Britdaq Ltd ("Britdaq") has been appointed as our (i) matched bargain provider to provide a platform for the trading of your CSF shares and, (ii) share registrar.

Britdaq offers a user-driven share-matching platform. It matches buyers and sellers and arranges the share transfer after a match is made.

You can gain access to the Britdaq platform at www.britdaq.com. If you wish to buy or sell shares, kindly follow the steps below: -

1. Register online at <https://www.britdaq.com/Account/Register> and apply for Gold membership. This involves completing an online form and sending some proof of ID of which all are explained on the website. Membership is free; and
2. Unless you already have a share certificate in your possession, you should contact your stockbroker, nominee company, bank or online share dealing service and request to have the shares transferred into your name and for a share certificate to be issued in your name. This is essential if you wish to offer your shares for sale. Your stockbroker, nominee company, bank or online share dealing service can do this by writing to Britdaq as the share registrar.

Britdaq's contact details are:

Britdaq Limited Iron Peartree House Tilburstow Hill Road Godstone Surrey RH9 8NA	Tel: +44 (0)800 987 5350 Email: info@britdaq.com Web: www.britdaq.com

Once you have become a Gold Member of Britdaq and possess your share certificate, you will be allowed to enter your own offers to sell, or bids to buy shares on the Britdaq website. Unlike on the AIM market, there are no professional 'market-makers'. All prices on the screen are real intentions to trade by members of Britdaq just like you. If there are no other bids or offers already showing on the screen, kindly refer to the previous last traded price as a guide on how to decide on a price to try and buy or sell.

On the Britdaq website, you will be able to view your shareholding online provided that the address you give during the online registration at Britdaq website is the same as the address on the share register. You may also 'subscribe' to updates for any company on the Britdaq platform that interest you. Every time any Britdaq member either trades in those shares, or a new price is entered, you will receive an email describing the event.

Kindly email admin@britdaq.com if you have any questions. Alternatively, you may get in touch directly with CSF at enquiry@csf-group.com

Best regards,
